MEMORANDUM FOR: See Distribution  
FROM: Dave Gries  
SUBJECT: Murder Board for DDCI-designate

Please plan to attend a "murder board" at 2:00 p.m. on 7 April in the DDI Conference room (7E32). The purpose of the "murder board" is to cover in advance questions that are likely to be asked during the confirmation hearing. Some general topics to explore in your questioning of the DDCI-designate are: the oversight process; independence of view; the DDCI-designate's agenda; assessment of oversight committee performance; covert action generally; paramilitary covert action; the overt/covert dispute; counterintelligence; effects of Gramm-Rudman; and politicized intelligence.
